We have audited the accompanying financial statements of Landscape of Grand Pré Incorporated / le Paysage de Grand-Pré Incorporated, which comprise the statement of financial position as at March 31, 2021 and the statement of operations, change in net assets and cash flows for the year ended March 31, 2021, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Landscape of Grand Pré Incorporated / le Paysage de Grand-Pré Incorporated as at March 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

3. OTHER INFORMATION

In November 2011, the Province of Nova Scotia announced the creation of a \$2.5 million contingent trust to help preserve and interpret the Landscape of Grand Pré upon its successful inscription as a World Heritage Site. With the inscription of the Landscape on UNESCO's World Heritage List on June 30, 2012, the Province delivered on its commitment by establishing the Grand Pré UNESCO World Heritage Site Funding Trust.

A Trust Indenture between the Province of Nova Scotia and the three trustees (Peter Herbin, Marie-Paule LaForge and Robert Palmeter) was signed on November 5, 2012, with the following purpose:

- a) providing for the protection, continuing community and agricultural use and appreciation of the Site;
- b) enriching the existing tourism destination by promoting wide recognition, appreciation and understanding of the values represented by the Site;
- c) instilling a strong sense of shared community pride and stewardship in the protection, interpretation and promotion of the Site;
- d) fostering increased economic, tourism and agricultural opportunities through partnerships at the Site; and
- e) ensuring the long-term sustainability of the Site's governance.

The trustees have diligently invested the funds and provided financial support to the beneficiary. Until 2016, this was the Landscape of Grand Pré Society. An amending agreement was signed on June 10, 2016, making Landscape of Grand Pré Incorporated the sole beneficiary of the Funding Trust. The Trust currently holds about 80% of its original value.

The Trust Indenture states that it will be terminated on November 30, 2022, or 90 days following the date on which all Trust Property has been expended. Article 17 of the Trust Indenture further states that:

“If at the date of the termination of the Trust any Trust Property is expected to remain, the Trustees shall, immediately prior to such termination, transfer or pay the residual funds to the Beneficiary.”
